## IMPORTANT DATES:

FINAL PAPER SUBMISSION | 24.06.2019  
NOTIFICATION OF ACCEPTANCE | 01.07.2019  
PAYMENT DUE DATE | 15.07.2019  
FINAL CAMERA-READY PAPER | 01.08.2019

The symposium topics are (but not limited to):

1. Energy system Design & Thermo- Economics Analysis
2. Renewable Energy
3. Modeling and Simulation
4. Theoretical & Experimental Methods
5. Automotive
6. Plant, Equipment, Integrity and Reliability
7. Fluid Mechanics, Solid Mechanics
8. Smart, Advanced & Functional Engineering Materials
9. Low-Carbon Technology
10. System Integration
11. Combustion and Fuel Technology
12. Onshore and Offshore Facilities
13. Fire Engineering
